

United States Department of State

Washington, D.C. 20520

JUL 25 2003

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of major defense equipment and defense articles in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the temporary export of one commercial communications satellite, plus ground maintenance, test and support equipment and secure communications equipment to International Waters in the Pacific Ocean for Sea Launch.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly". The signature is fluid and cursive, with the first name "Paul" and last name "Kelly" clearly legible.

Paul V. Kelly
Assistant Secretary
Legislative Affairs
